J. O. Parker Badly Injured In Canyon Fall

J. O. Parker narrowly escaped death at his ranch near Wayside Friday when he fell over a bluff along the rim of the Palo Duro Canyon. He was fortunate enough to land on a ledge 35 feet below. It was a miracle that he did not fall 50 or 100 feet at this point.

Mr. Parker, assisted by George Jones, was stretching a wire along the rim of the Canyon. The wire broke, and he fell to the ledge below. His neck was broken in the fall, his right arm broken, and his lungs torn loose. He continued to bleed internally for four days, but the bleeding was checked Monday.

Mr. Jones reached Mr. Parker and made him as comfortable as possible while he went for help. With the aid of neighbors Mr. Parker was placed on the back of a horse and brought out of the Canyon. Mrs. Parker reached the scene with the car, and J. O. was brought to the Neblett Hospital where he will be under treatment for several weeks.

Mr. and Mrs. S. E. Parker, parents of the stricken man, are here from Tucumcari and are looking after the ranch while J. O. is in the hospital. Ira Parker and Bertha Parker, brother and sister of J. O., have also been here from Tucumcari.

Mrs. Parker is the former Lena Foster, daughter of Mr. and Mrs. G. G. Foster.

Red Cross Chapter Sends Off Xmas Boxes Overseas

The Camp and Hospital Committee of the Red Cross Chapter headed by Mrs. Bessie Melton, furnished and filled 35 kits last week to be distributed to the boys still remaining overseas.

The greatest credit for this project goes to Mrs. Melton, who thru her tireless efforts of getting the kits ready, packing them, wrapping them in gay Christmas wrappings, crating and getting them off at the proper time to the proper destination, brings much distinction to her Red Cross Chapter. Much appreciation and thanks from the Chapter members and citizens of Canyon, go to Mrs. Melton for her splendid work. She was assisted by Mrs. C. O. Elkins.

These kits contain stationery, combs in leather cases, address books, fountain pens, Eversharp pencils, playing cards, cigarette cases, and razor blades. Three different articles were placed in each kit.

All work now of the Camp and Hospital Committee is done thru the Veterans Hospital in Amarillo.

Retired Farmer Died Monday at Home in Happy

William H. Moore, 76, a retired farmer, died Monday morning at 6:15 o'clock at the family home in Happy.

Rev. A. B. Haynes Retires to Make Home in Canyon

REV. A. B. HAYNES

Rev. and Mrs. A. B. Haynes have moved back to Canyon to make their future home. Mr. Haynes has closed his ministry at the Littlefield Presbyterian Church and is retiring from active service.

Mrs. Haynes has been named Sunday School Missionary of this district, and they are living in the Manse which was built for the Missionary. Mrs. Haynes succeeds Rev. W. R. Mann, who returned to the Midland district.

Rev. Haynes started in the ministry in Canyon 42 years ago. He has served various Presbyterian Churches over Texas, and his work has always been very successful. He wished to return to Canyon, which has always been home to him. He owns a farm south of Canyon which his son, A. B. Jr., is operating.

Rev. Haynes is a member of the Rotary Club of Littlefield.

Hillier Sailed on the Queen Mary Friday Afternoon

R. C. Hillier was delayed in leaving Canyon to sail for London, but got to New York by train a few hours before the sailing time for the Queen Mary.

Mr. Hillier intended to leave on Sunday; but discovered that his passport must be sent to Houston. He then engaged plane transportation, but the strike came. When his papers arrived back he took the train, which gave him only five hours in New York before sailing time.

Mr. Hillier wired that he made connection and sailed from New York Friday afternoon.

Frank R. Phillips Installed Worthy Grand Patron

Frank R. Phillips was installed worthy grand patron of the Grand Chapter of Texas, Order of the Eastern Star in an impressive ceremony in Houston Thursday evening. Mrs. Phillips and Miss Betty Phillips were presented in the East.

Mrs. Carl Hair, worthy matron, Miss Beryl Hixson, associate matron, Miss Bertie Mae Williams, chaplain, and Mrs. H. E. Campfield of the local chapter were present at the service.

Former Citizen Has Moved Back

Savings Bond Drive Starts November 11

From Nov. 11 to December 7 a Savings Bond drive will be staged throughout the nation.

No quota has been assigned to any county, but an objective for Randall county is \$57,500.

State headquarters have reported to County Chairman R. H. Wright that the people of Randall county have invested \$225,221.50 in savings bonds for the first eight months of this year. These investments have been freewill, with no drive on quotas.

All citizens will be requested to buy at least one bond during this period of time, from Armistice Day to Pearl Harbor Day.

Carnival This Week Sponsored By Local PTA

The annual Hallowe'en Carnival held each year at Canyon High school, will begin at 7:00 this year, and all citizens of Canyon can plan on a big time Thursday night, October 31. There will be many booths, etc., in both Grade School and High School, and the crowning of the Hallowe'en Queen will climax the evening's activities.

Each year the Parent Teacher Association sponsors this Hallowe'en Carnival and all funds taken in from it, go back into buying different things for the school, which are not taken care of in the regular school funds. The school has received many useful items from their Carnival proceeds. At 7:00 the PTA will serve pie, cake and coffee in the Home Economics Room, and the American Legion will serve hot dogs.

Calves of W. T. To Play Tucumcari Here Friday

In one of the most important games of the season, the W. T. High School Calves will tackle the Tucumcari, N. M., eleven here Friday Nov. 1, at 2:30 o'clock at Buffalo Stadium. The Calves have shown up good this year, as the team has only one loss to its credit, and it has played some of the best teams in this part of the country.

Many citizens of Tucumcari are expected to be here to attend the game, and Tucumcari considers the game so important that they are broadcasting it over Station KTNM in Tucumcari.

CALLED BY DEATH

Mr. and Mrs. C. R. Burrow left Wednesday afternoon for Dallas, called by the death of Mrs. Burrow's brother, J. O. Wright. Mr. Wright has been seriously ill for several months, and Mrs. Burrow visited him recently.

Mr. and Mrs. Jack Williams of Beaver, Okla., were guests of Mr. and Mrs. Avert Lair last week-end. They flew down in their plane from Beaver. Mrs. Williams will be remembered as the former Mildred Merchant.

Guests last week end in the parental F. E. Savage home were Mrs. R. William Brown, Billy V. and Richard of Wheeler, and Mr. and Mrs. F. Winston Savage and baby daughter, Ann, from Pampa.

Mr. and Mrs. Lewis Shirley of Amarillo spent the week end in the home of Mr. Shirley's parents, Dr. and Mrs. D. A. Shirley.

Bonita and Alberta Brown left last Thursday for Vernon to attend the Camp Audubon reunion. They returned home Sunday.

Pfc. Allan Albers returned home Monday afternoon after receiving his discharge from the Army. He is the son of E. H. Albers.

Week end guests in the home of Mr. and Mrs. Fred Jennings were Mr. and Mrs. James Shackelford of Amarillo.

Mr. and Mrs. Alvin McDonald and Mrs. H. R. Fulton were in Oklahoma City, Okla., this past week-end.

Cole & McGahey Start Work on Service Station

Work has started on construction of the new service station of Cole & McGahey at their new location, Third Avenue and Highway 87.

Plans as drawn by the architect include the development of the entire property which was recently bought by the firm.

Wash and grease rooms will be constructed along the west line of the lot. The pumps will be arranged for greater convenience of the patrons.

The present show room will be enlarged so as to make possible the display of the full line of Firestone appliances which the firm will carry.

All of the lot will be concreted, which will include the parking space north of the showroom.

Word of Son Received Last Week By Oscar A. Smiths

Mr. and Mrs. Oscar A. Smith received word last week from Secretary of the Navy James Forrestal, that their son, Lt. (jg) Oscar Leon Smith has been declared "Killed in Action." Lt. Smith was reported missing on October 1, 1945, and no other word had been received by his family from the Navy until last week. At the time he was declared missing, Lt. Smith was based on Luzon Island, and was on a mission north of Luzon to track and penetrate hurricanes and typhoons of extreme intensity. He was an Aerological Officer. He had been overseas 5 months.

The parents also received word last week that Lt. Smith had been awarded the Air Medal posthumously, by the President, and the Smiths were asked to go to Norman, Okla. for formal presentation of the medal. If it is impossible for them to go, the medal will be mailed to them.

Lt. Smith enlisted in the Navy in June of 1943.

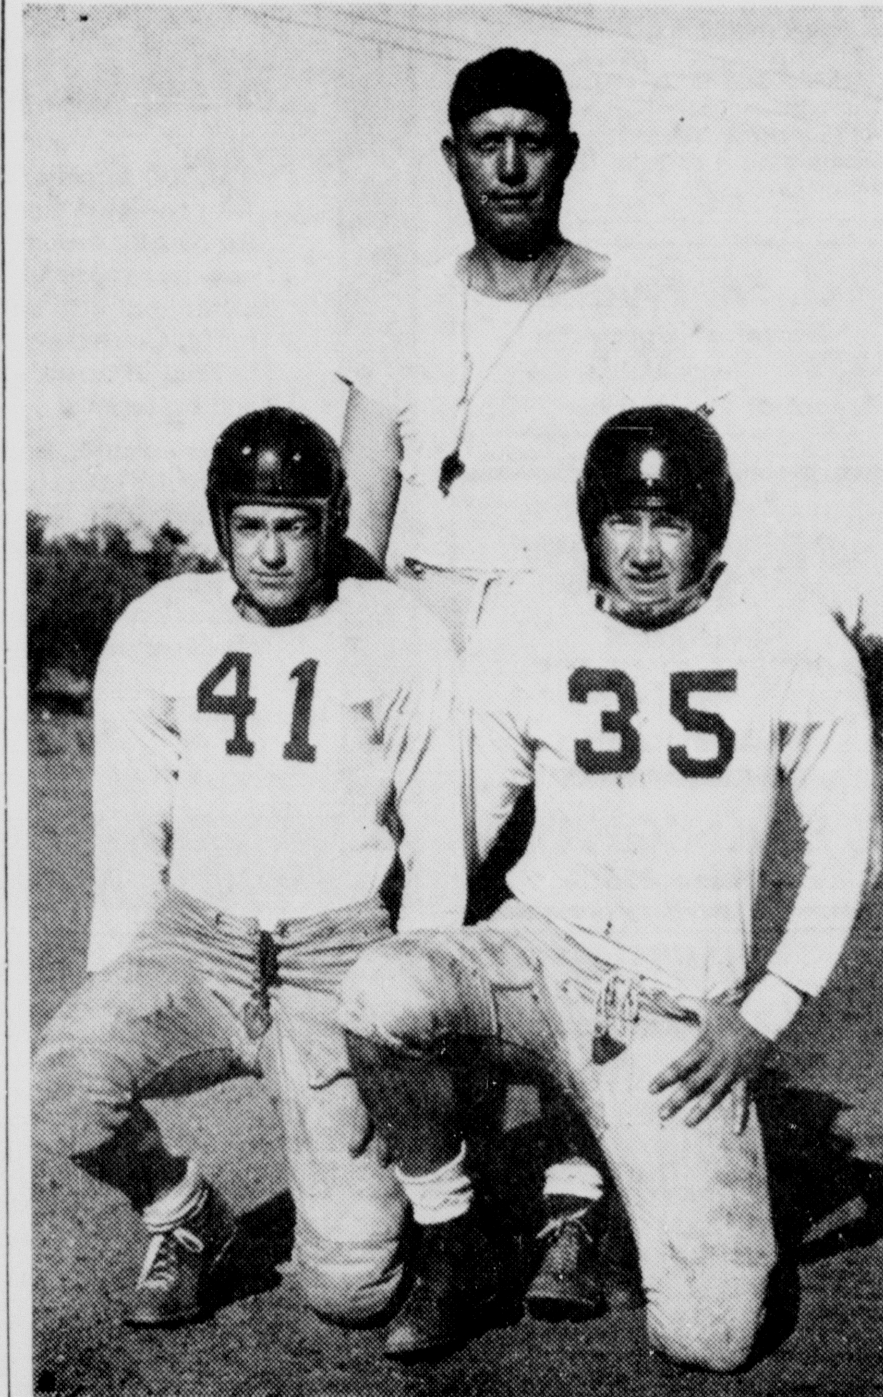

Z. J. Steen Buys Home and Will Move Back From Hereford

Z. J. Steen of Hereford has bought the C. E. Kincaid home in Canyon and will move here in the near future. He is a brother of O. J. and Bill Steen, and lived in Canyon many years ago.

Mr. Kincaid recently sold the Canyon Drug, and has been looking for a new location. The Kincaid family has continued living in Canyon pending the sale of their home.

Edna Earle Henderson and Cheri Kilchrist were entertained in the home of Mrs. Glennis Watson and Lorene Johnson on Sunday afternoon.

Eagles Meet Hereford Saturday Night

Coach R. D. Wheelock of the Canyon Eagles is pictured above with two of the Eagle stars, Abbott, 41, and Wright, 35. The game will be called at 8 o'clock. Hereford is expected to bring a large number of fans.

Six Persons Are Hurt in 2-Way Crash

In another bad wreck last Sunday night on the highway between Canyon and Happy, six persons were injured. One, Mrs. O. D. Compton of Amarillo, has since died. She passed away at Neblett Hospital Tuesday afternoon about 5 o'clock. Her body was taken to Amarillo by Blackburn-Shaw Funeral home.

Walter Brown of Tulia, was also seriously injured, but was removed to the Tulia Hospital Sunday night and is reported improving.

Less seriously injured were Mr. and Mrs. G. E. Fogerson of Tulia and D. D. Henderson, son of Mrs. Compton. Slightly hurt in the crash was Bobby Compton, 10 years old son of Mrs. Compton.

Mrs. Compton and sons were en route to Amarillo with Mr. Henderson driving. Mr. Brown and Mr. and Mrs. Fogerson were on their way to Tulia, with Mr. Brown driving when the crash occurred.

Injured were taken to hospitals by Griggs-Warren ambulance.

PTA Study Club To Have First Meeting of Year

The PTA Study Club will have its first meeting of the year on November 7 at 1:30 o'clock in the office of Miss Elva Fronabarger, according to Mrs. Robert W. Jones, chairman.

Articles from the National Parent-Teacher will be discussed and these include "Your Family Is Your Fortune," "MacArthur and the U. S. Education Mission to Japan." These are in the September issue and in the October issue, the group will discuss "Anchors at Home," and "Temper and Tantrum."

Only four meetings of the Study Club will be held during the year and everyone is cordially invited to attend.

Subscriptions Are Being Paid By Many Citizens

With bargain days on newspaper subscriptions drawing to a close, hundreds of readers of The News have taken advantage of reduced rates and sent in their subscriptions. The News hopes that all readers will send in their checks early in November, regardless of the time their subscriptions expire. Handling subscriptions takes much time, and early payments are always greatly appreciated.

The rate for the Canyon News in Randall county is \$1.50 per year; and \$2.00 for all outside territory. The News is among the very few weekly newspapers which has not raised its subscription rates in order to meet the increased costs of printing.

Bargain rates on the Amarillo News may be withdrawn without notice. The rate is \$10.95 until further notice. Subscriptions to both the Canyon News and Amarillo News for one year totals \$12.45.

Government Seeks to Aid the Small Business of Nation

Dr. Lee Johnson talked on small business at the Rotary Club luncheon Tuesday. Under an executive order of this year groups were appointed to operate under the Department of Commerce to study the needs of small business.

There has been a great decline in the number of small business firms during the war, due largely to the lack of manpower. Yet 93% of the firms of America are classified as small business, with only 7% as large business. It is estimated there are now 8 million small business firms. These have 45% of the workers of the nation, and do 34% of the business.

The government is seeking to help small business through better management, methods and accounting systems.

Dr. Robert Jarrett, president of the club, passed cigars in honor of his daughter, who was born Tuesday morning.

President J. A. Hill was complimented on his birthday.

Visitors were: Rev. A. B. Haynes of Littlefield; Lee Gilmore of Canyon; Glen McKenzie, manager of Buffalo Lake; J. E. Bowman, Bob Foster, L. V. Dorsch, Guy Carlander, A. G. Attebury, John Oaks, O. K. Lewis, R. E. Wertz, Tom Cartwright, Ed W. Hardin, H. M. Bainier, all of Amarillo.

MOTHER-IN-LAW CLUB

The Mother-in-Law Club will meet on Thursday, Nov. 7 at 3 o'clock in the home of Mrs. E. C. Penick. All members are urged to be present to help make plans for the Christmas party.

SISTER DIED LAST WEEK

C. H. Stratton was called to Wichita Falls last week by the death of his sister, Mrs. Charlie Leath.

Dr. and Mrs. James Webb from Denton were here last week end for Homecoming, and visited with Mr. and Mrs. Dan Sanders and other friends in Canyon. Dr. Webb is at North Texas State Teachers College in Denton now.

Betty Jo Baber, who is in Nurses Training at Northwest Texas Hospital in Amarillo, visited last week end in the home of her parents, Mr. and Mrs. Pat Baber.

Voters of Randall county will go to the polls twice next week.

The general election will be held on Tuesday at which time the voters will elect public officials from United States Senator down to precinct officers. At the bottom of this ballot will be three constitutional amendments. In view of the fact that different groups are working for the passage of all three of the amendments, it is likely that all will be approved, unless the vote is very light. Should the vote be light, anything might happen.

While there is a candidate for Congress on the Republican ticket in this district, it is not considered that he will receive a very heavy vote against Congressman Eugene Worley. However the displeasure of the people over OPA may bring out a larger vote than now anticipated.

In the sample ballot printed in The News last week a comical error occurred. The sample ballot showed two candidates for County Commissioner, Precinct No. 3. The names printed were D. S. Hill and "T. J. Guinn." The error was the result of a peculiar mix up in the type which often happens in all well regulated printing plants. After The News printed the official ballots for Randall county, we were called upon to print the ballots for Deaf Smith county. A. J. Guinn is a candidate for County Commissioner, Precinct No. 3 in Deaf Smith county. When the type was changed back from Deaf Smith to Randall county the name of Mr. Guinn was unintentionally left on the ballot with Mr. Hill. The official ballot as the voters will have next Tuesday is printed correctly.

On Thursday of next week the voters will be called upon to go back to the polls and vote on the veterans land amendment. Holding two elections was a bust on the part of the legislature, and nothing could be done about it. This bust will cost the counties of Texas \$300,000 for this special election which was intended for the general election on Tuesday.

Every qualified voter in Randall county should take time to go to the polls for both of these important elections. The selection of our public officials is important, and the vote of the constitutional amendments is very necessary.

District Official Visits Lodge Here Last Week

Jones Christian, of Claude, Deputy Grand Master for this district, visited the local lodge on official business last Thursday night, October 24.

In a talk to 43 Masons, among which 12 lodges and 5 states were represented, he complimented the lodge on its condition and gave a report on the Masonic Orphan's Home, the New Temple at Waco and other Masonic affairs. Ex-service men were introduced and talks made by several members, after which refreshments were served.

Former Newspaper Woman on Visit

Mrs. Ed Bryant of Kress was here Saturday for Homecoming. Mrs. Bryant will be remembered as the former Maud Brandon, daughter of Mr. and Mrs. George A. Brandon. While her father published the Canyon News Mrs. Bryant was a member of the staff, and later worked on the paper after Clyde Warwick took charge.

Mrs. Bryant gets back to Canyon at infrequent intervals.

Sgt. Knighton Called From San Francisco

Sgt. Tom Knighton called his family Monday from San Francisco. He had just arrived in the States. He had taken a plane from Yokohama, Honshu, Japan on Saturday and arrived in San Francisco on Monday, October 28. He expects to receive his discharge very soon before completing the trip home.

Sgt. Knighton left for overseas duty on October 5, 1945. He has been in the Army for 19 months.

Elmer Marshall, Deputy State Superintendent of Schools from Tyler, was in Canyon Saturday for Homecoming. He had 200 roses shipped from Tyler to the college for Homecoming activities. Mr. Marshall visited many friends while in Canyon.

Beulah Hammond was home last week-end for Homecoming activities, and visited in the home of her parents, Mr. and Mrs. John Hammond. She is attending the Southwestern Baptist Seminary at Fort Worth.

Mrs. Lemore Hill of Borger has been visiting in the home of her parents, Dr. and Mrs. J. A. Hill.

Miss Mary Hodges had as her guest last week-end, Miss Sadie Ruth Hoskins of Spearman.

Editorials

VOTE ON NOVEMBER 5

It is only a few days until the general election. Of course there has been little in Texas to demand the attention of the voters. Very little campaigning has been attempted by Republican candidates. Yet we hear that there is going to be a very large Republican vote, simply as a protest by people who are trying to run their own affairs in spite of the meddling of Washington. You will recall that when Hoover carried Texas against Al Smith there was very little campaigning. We do not expect to see this happen in 1946, but there could be a substantial protest vote.

The Republicans confidently expect to rule the next House of Representatives, which would tie the hands of President Truman.

What is going on over the nation is expressed by the editorials in two great independent newspapers, as follows:

In commenting on the national political situation Frank L. Perrin, writing in the Christian Science Monitor has this to say:

"I am persuaded to believe that the American people have been doing a good deal of serious thinking during and since the years of the recent war. They are aware, more alertly than heretofore, of the alien and subversive influences being exerted at home and in other countries, in an effort to destroy those fundamental freedoms which we now enjoy but which we have sometimes carelessly protected and sometimes thoughtlessly enjoyed. It is in seeking and consolidating ways and means to circumvent, nullify and finally defeat these destructive influences that the effort must be united and wholehearted."

"Approaching the problem without political or partisan prejudice, the voters, individually, must decide for themselves whether or not to delegate power and authority to deal effectively and courageously with today's problems to those now seeking to solve them, or to select, without prejudice and without inexcusable party loyalty, those who we believe can be depended upon to hew the line, let the chips fall where they may. Our work, now and for a long time hence, has been cut out for us. Let us forget old partisan allegiances."

And in the Cleveland Plain Dealer, an editorial writer says:

"The fundamental issue (in the coming election) is whether we are to continue to have a paternalistic, bureaucratic government clinging tenaciously to wartime controls, reaching out for more power with which to regulate the lives of the people, dreaming up new ways to alter the functioning of natural economic laws, compounding confusion as it emerges from one crisis into another, constantly heading in the direction of totalitarianism and ceaselessly trying to perpetuate itself in office by conferring unwarranted privileges on organized labor in return for votes."

"The alternative is a thorough housecleaning in Washington."

"The muddle-headed economists, the bungling bureaucrats, the do-gooders and left wing radicals who throughout the New Deal years have fastened their tentacles on government and business must be ousted from their positions of power and influence."

"There must be a return to the system of free enterprise under which prices and production are regulated by competition and the law of supply and demand, not by some two-bit politician with his feet under a desk in Washington. Production and employment opportunities must be created by giving investors and business men the opportunity to make a profit if they are astute, diligent and capable—and also the opportunity to lose their shirts if they are not."

We can see no sense about all this fuss because Goering committed suicide, rather than waiting to be hanged. Personally we wish all of these criminals had been given the chance to do just what Goering did. If suicide makes martyrs of men, or hanging them makes martyrs, then there is little that civilization can do to raise a nation which has such low ideals.

We have been mystified at the sudden break in the stock market. But we have received certain reports that indicate what is going on, and why the stocks of the major companies are being passed up by the investors. The automobile industry issued a report the other day which is typical. A chart pictured the number of men employed; the amount of weekly wages; and the production. There are more men employed today than at any time since 1941. The weekly wage is much higher than ever before paid. With more men working and higher wages paid, what about production? You would think that this should increase. But it doesn't. Production is steadily diminishing. CIO controls the labor market of the auto industry. The theory of CIO is to do as little as possible, but get more and more wages for doing less and less. The charts of the automobile industry makes this very plain. As a result, none of the major corporations are making money on their investments. When the stockholders are deprived of dividends these stocks have no attraction to the investors. It is unlikely that stock investments will improve until capital and labor get together on a productive program.

Bushy headed John Lewis will call another strike of his miners unless he gets another substantial wage boost on November first. Lewis has whipped the government every time he has gone to bat. What he accomplishes this time is almost a certainty. An indication that people are becoming tired and disgusted with strikes is found in a poll made recently by a newspaper in a large eastern industrial city in which men and women were asked the question: "In your opinion would it be a good thing or a bad thing for the country if Congress adopted a law preventing all strikes for a year?" Sixty two per cent of the men contacted thought it would be a good thing and 79 per cent of the women were in favor of it. The significant information concerning this poll is the fact that 59 per cent of the union members interviewed were in favor of the strike ban. This places the responsibility for unwarranted strikes squarely on the shoulders of ONE group—the UNION BOSSES.

President Truman did not want the nomination for vice president, and did not like the job after he became President. But conditions have changed. Looking over history he realizes that one term presidents have been looked upon by the people as failures. Therefore, he is an active candidate, and will make a hard fight for re-nomination. It seems that Truman does not want to be dubbed another Hoover. Regardless of what you may think of Truman and Hoover, let's be fair and say that neither of them were responsible for the conditions which confronted them. Both of them inherited intolerable conditions, which would be hard for any man to face and solve. Truman may not get the nomination in 1948, and the Republicans may defeat him if he is the nominee. But conditions from 1948 to 1952 may be such that the Republicans will wish they had never won. If a boom is participated by a Republican victory, a depression will certainly follow, and another Democrat will be named President. Let's hope that it will not be Henry Wallace.

It is reported that TWA pilots are striking for a wage boost from \$1,400 to \$1,800 per week. Such a strike is beyond the comprehension of the average man who looks upon a weekly wage of \$35 to \$75 per week as the standard of the nation. Of course flying one of these big planes has its hazards. Perhaps the years of usefulness of these pilots are short. But after all pilots who flew our bombers over enemy territory and suffered real hardships during the war were paid by the government a moderate wage. Perhaps a majority of the TWA pilots were safe at home while the shooting was on. Does this look like justice.

Senator W. Lee O'Daniel spent the night in Amarillo recently, and gave an interview in which he charged that OPA had simply gone into hiding until after election. O'Daniel believes that after the November election OPA will come back more arrogant than ever. Personally we believe that the Senator is wrong, although he has been on the scene in Washington and has a pretty good understanding of the mysteries of the bureaucrats. If the voters fulfill their threat of turning out Democrats in key states and electing Republicans, OPA will be dead after Congress convenes. If the President had allowed OPA to die on June 30 when the law expired, prices would have settled down by this time, and reconversion would be on the horizon.

When you read of the difficulties which our troops are having in both Japan and Germany, you wonder as to why young boys are sent over there as policemen. It must be recognized that not all of our troops who are on police duty are hoodlums. This is far from the facts, but there is enough of this sort of thing going on to make parents of young boys who are on duty in these nations quake with wonder what their boys will be like when they return home. We are of the opinion that the relaxing of Selective Service until January 1 may have a motive, more significant than the Average American realizes.

Kilgosh: It merely proves that all the perils of air travel haven't yet been eliminated.

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of November 3, 1921)

Dorothy Lee Arnold, 3, daughter of Mr. and Mrs. A. J. Arnold, died as a result of a serious case of diphtheria.

J. D. Gamble bought the interest of G. G. Foster in the Foster-Gamble Insurance Agency, and changed the name to the Gamble Insurance Company.

Sheriff W. C. Black stopped an Amarillo man on the streets and started to search his car. The driver threw a bottle of whiskey to the ground and broke it, in order to escape liquor charges. But he was fined \$31 for having thrown glass on the street.

Walter Hardin, former Canyon boy, was shot in the head at his home in Austin. No explanation was given to the accident. His wife is the former Floy Brown, secretary to R. B. Cousins while he was president of the college.

A son was born to Mr. and Mrs. Charles Harter.

The Panhandle Herald has become a semi-weekly. Other semi-weeklies in the Panhandle are the Hereford Brand, Quanah Tribune-Chief and Lubbock Avalanche.

According to government statistics 84% of the business failures in the year 1920 were non-advertisers—the fellows who thought the public would not forget them.

C. M. Houser died at his home in Kress. He was a former resident of Randall county. Mrs. W. B. Campbell is one of his daughters.

Teacher: Joany, what important event took place on February 22, 1782?
Joany: I'm sure I don't know, teacher. I hadn't been born yet.

City Visitor: Which is correct, "a hen is sitting" or "a hen is setting"?
Farmer: I don't know, and I don't care. All I bother about is when she cackles—is she laying or is she lying?

Forces of Attraction Keep a Comet in its Course...

and OIL-PLATE Your Engine!

BASIC forces of attraction and repulsion keep a comet in its course around the sun. By ceaseless study of the molecular attraction between liquids and solids, Conoco engineers are able to bring America's motorists new and better oils.

For example, under the laws of molecular attraction, a special ingredient in Conoco Nth motor oil is attracted to working surfaces of your engine. So strong is this attraction that cylinder walls and other parts are OIL-PLATED.

And because molecular attraction holds OIL-PLATING up where

it belongs... prevents it from all draining down to the crankcase, even overnight... you get these benefits:

added protection when your engine starts up

added protection from corrosive action

added protection from wear that leads to fouling sludge and carbon

added smooth, silent miles

That's why to OIL-PLATE now... at Your Conoco Mileage Merchant's. Look for the red triangle. Continental Oil Company

SHE'S BUSIER THAN EVER

...with more calls
from more telephones

Telephone operators are busier than ever during these days of more telephone calls from more telephones than ever before. But they still take pride in doing their job with the same characteristic skill, patience, and courtesy that have caused them to be known as "The Voice With a Smile."

Despite the heavy increase in calls, operators are handling most of them quickly and accurately. Sometimes, during midmorning and late afternoon (the busiest times at the switchboard) there may be a brief wait for "Number, please," but you may be sure your call will be answered as promptly as possible.

Babson Says That Advertising Will Prevent Future Depression

CHICAGO, Ill. — Advertising which started in a very simple manner (largely by patent medicine manufacturers) has become of great national and economic importance, states Roger Babson, economist. In fact, it has become a part of the employment cycle which requires greater advertising appropriations to cause a demand for goods which, in turn, will hold up, or increase, the number employed so that they will buy more goods and keep the ball rolling.

Advertising vs. Labor Troubles
The above economic theory has, however, one difficulty which is largely responsible for many labor troubles today. In order to have advertising attractive to make people buy and thereby hold up employment, this advertising must make people dissatisfied with what they now have as well as want things which they do not now have. This requires that families must have more money in order to fulfill their desires.

In studies which I have made, it is evident that the wage worker himself often has been satisfied with his wages; but his wife and children have so prodded him for more money to buy more things that he has been an easy prey of unprincipled labor agitators. Therefore, although I see no remedy for the situation, advertising is probably directly responsible for many labor troubles and unnecessary strikes.

Circulation Not Everything
There is a tendency among advertising agents to talk too much about the circulation of the newspapers in which they place advertising. Of course, it is very much easier for an advertising agency to bill each month one large city newspaper than to bill twenty small papers to get a given circulation. I insist, however, that this is unfair to the advertisers who are employing the agencies. Twenty small city papers may be worth to an advertiser for more than one large city paper with the same circulation.

It is better for an advertiser to distribute his products over a large number of cities rather than concentrate on one city. Also the small papers are read more thoroughly. The average large city newspaper has so many pages that the reader goes through them hurriedly and does not give sufficient consideration to the advertisements. Advertising agencies and newspapers have performed wonderful feats but they have not increased by one small second the available time each day which readers have.

Remember the Weekly Newspaper
Statistics show that the reader of small city papers has more time and gives more consideration to the advertisements. I will not say that weekly papers are seven times as valuable as daily papers of the same circulation, but surely they have some advantages. No one reads a daily paper the day after it is issued, but the weeklies are

read during seven days. Small town papers will become more and more important. Many large cities have reached a maximum of population. Whether or not there is a World War III, the federal government must prepare for it by encouraging decentralization and the building up of the small interior communities. One of the best investments today would be a small town daily, or weekly paper in a self-contained agricultural community.

Notwithstanding the importance of advertising in keeping up employment, statistics show that employers spend the largest sums for advertising when more employment is not needed, while they cut down advertising expenditures when there is much unemployment. The average employer seems to do the wrong thing, at the wrong time, when spending money for advertising.

One of the best ways to avoid the "boom or bust" policy would be for the government to allow a special tax reduction of five-year contracts for advertising expenditures. Then instead of spending their surplus on advertising this one year, with very little for lean years, the advertising appropriations would be spent over a five-year period. This would do much to prevent a depression during the next few years.

R. B. Gist, Jr. Returns Recently From Korea

S-Sgt. R. B. Gist, Jr., son of Mr. and Mrs. R. B. Gist of Happy, returned home recently with his discharge. He had just returned from overseas where he was stationed in Korea for the past 15 months. He had been in the service for more than two years. Mr. and Mrs. Gist who were in Dallas at the time attending the Dallas Fair, met their son there before returning home last week.

The young people of the BTU class entertained the community with a backward party in the E. W. Schaeffer home Saturday evening. All coming not dressed backwards were required to pay a fine. Delicious apples were served and "42" and other games were played.

Friday, Nov. 2 Mrs. H. H. Shipman will have her foods demonstration all are welcome to attend.

Texas Teachers Are Seeking to Raise the Profession Standing

To improve the morale of teachers, elevate their economic standing, insure professional stability, and place before the public facts and viewpoints that will lead to an intelligent appreciation of the teachers' contribution to the general welfare is the goal set by the Texas Teacher Welfare Association, which has made application for charter under the laws of Texas, as a non-profit general welfare corporation, and has launched statewide membership and educational campaigns.

Immediate aim of the militant organization of teachers is to enlist the support of every teacher in the public schools of Texas, the 254 County Superintendents, and the thousands of school trustees, to bring about an increase in the annual pay of teachers. Minimum pay of \$2,400 a year for teachers with college degrees is to be sought.

To inform parents and school patrons of the sad plight into which the public school system of Texas has fallen as thousands of highly trained and experienced teachers desert the classroom for better paying and more attractive jobs, the Texas Teachers Welfare Association is conducting a statewide campaign for members among the more than 400,000 public school teachers and County Superintendents. Its educational campaign to inform the public of the facts about the public schools and the poorly paid teachers is being carried out at the same time.

The Executive Committee of the Association, composed of M. D. Murphy, Superintendent of Schools, Mesquite, President; Dr. Joe P. Harris, Dallas County Public School Superintendent, Secretary-Treasurer; C. G. Dickey, Superintendent of Buckner Orphans Home Schools; R. L. Turner, Superintendent of Schools, Carrollton, and W. E. Godwin, Principal of Rylie School, Rylie, is directing these campaigns.

The alarming condition now faced by the rural schools, with more than 17 per cent of teaching jobs in country schools unfilled and more than 12 per cent of all teaching jobs in the State vacant, is due entirely to the inadequate pay for teachers. Dr. Harris, spokesman for the association said. The pay of the average teacher in Texas is less than \$100 a month. The untrained day laborer earns more. Even lawn mowing is more profitable than teaching.

"Texas must do something for its teachers immediately if the public school system is to be saved," Dr. Harris said.

Holland-Truax Vows Read

In a church ceremony at the First Baptist Church in Perryton, Miss Jean Truax, daughter of Mr. and Mrs. Glenn Truax, became the bride of Mr. Robert H. Holland, Jr., son of Mr. and Mrs. R. Haskell Holland of Perryton, on Saturday, October 26 at 2 o'clock.

The double-ring ceremony was performed before an altar flanked with white chrysanthemums and bronze leaves. The Rev. O. C. Curtis officiated at the ceremony.

Traditional wedding music was played, and preceding the ceremony Miss Ellen Posey of Hereford sang "I Love You Truly" by Bond, and "The Lord's Prayer" by Milotte. She was accompanied at the organ by Mrs. Louis L. Jaguot. While the vows were being read, Mrs. Jaguot played Debussy's "Clair de Lune."

The bride chose as her wedding costume a dress of winter white sheer wool, with saddle brown accessories. Her corsage was of American beauty roses. For something old the bride wore a strand of pearls.

Mrs. Harold Gidley, who attended the bride as matron-of-honor wore a blue suit with black accessories and her corsage was of white chrysanthemums. Mrs. Glenn Truax,

mother of the bride, was attired in a black suit with black accessories and a corsage of white mums. Mrs. R. Haskell Holland, mother of the groom was also dressed in a black suit and black accessories with a corsage of white mums.

Mr. Harold Gidley attended the groom as best man. Following the wedding, the couple was honored with a reception at the home of the bride's grandmother, Mrs. Belle Truax. The bride's table was covered with a damask cloth, and centered with a 3-tiered wedding cake topped with a miniature bride and groom. Presiding at the punch service were Mrs. R. G. Schuster of Perryton, and Mrs. Cliff Burns of Borger, both sisters of the groom.

For her going away ensemble, Mrs. Holland wore a blue wool dress, saddle brown accessories, and a tomato red brush wool coat. The couple left for a honeymoon in New Mexico.

Mrs. Holland is a graduate of West Texas State High School.

Mr. Holland attended Texas A&M and served in the United States Navy for 16 months.

After November 3, the couple will be at home in Perryton.

MRS. ANGEL HOSTESS TO ZITA H. D. CLUB

The Zita H. D. Club met October 22 at the home of Mrs. Wayland Angel. Halloween became a reality as members arrived dressed in Halloween costumes.

The program opened with a reading, "The Fall Wind." Roll call was answered by giving a superstition and its origin.

In the business session that followed, officers for the coming year were elected. They are: Mrs. W. S. Bennett, president; Mrs. B. E. McCormick, vice-president; Mrs. Ralph Ruthardt, secretary and treasurer; Mrs. H. R. Fulton, council representative; Mrs. Forrest Gruner, home improvement demonstrator; Mrs. W. S. Bennett, family relation demonstrator.

Refreshments of spice cake, cinnamon rolls, cheese sandwiches, olives and apple cider were served to guests Mrs. James Jennings and Sally, and twelve members, Mrs. M. H. Rockwell, Mrs. H. B. Hales, Mrs. J. P. Upchurch, Mrs. E. A. Michael, Mrs. D. C. McCormick, Mrs. Forrest Gruner, Mrs. H. R. Fulton, Mrs. B. E. McCormick, Mrs. Ralph Ruthardt, Mrs. H. D. Rose, Mrs. W. S. Bennett, Nancy McCormick, Joy Rose and the hostess, Mrs. Angel.

The next meeting will be November 12 at the home of Mrs. J. P. Upchurch.

Mrs. C. L. Thompson visited last week in Austin with her son and wife, Mr. and Mrs. Clarence Eugene Thompson.

STAND UP AND BE COUNTED!

President Truman recently told the nation that his New Deal administration had come within a hair's breadth of confiscating every head of cattle off our Texas ranges. He admitted that public opinion was the only thing that stopped him.

Last May '24, the New Deal Secretary of Agriculture, using war-time powers in peacetime, ordered our farmers to sell half their wheat immediately and at prevailing prices, whether they wanted to or not.—OR ELSE. The order was rescinded only when public opinion forced the New Deal to retract.

Both these decrees were Socialistic in their very nature. They are indistinguishable from similar decrees in Russia. And the only thing that stopped the New Dealers from making them permanent was the fear that it would cost them the national elections on November 5.

But what do you think is going to happen if America elects another New Deal Congress on November 5? What do you think is going to happen if another Democratic majority puts the radicals in the saddle in Washington again with no fear of elections for two more years? State Socialism, such as was fondly contemplated by the Truman administration, will be forced down the public's throat whether it likes it or not.

The only way you can prevent State Socialism from becoming a tragic reality in America is to elect a Republican Congress on November 5. If you want to support the Democrats running for State offices, that's all right, but VOTE FOR THE REPUBLICAN CANDIDATE FOR CONGRESS.

Because this is true as Gospel, the Panhandle today is being swept by the greatest political tidal wave in its history. Hundreds upon hundreds of life-long Democrats have pledged themselves to vote for Frank T. O'Brien, the Republican candidate for Congress, because they want to have a voice in our Federal government instead of turning it over lock, stock and barrel to the Communists in Washington. Even if your present Congressman were a Conservative, the very fact that he is a Democrat would help to give the New Dealers enough votes in the House to dominate the nation as it has never been dominated before.

The November 5 election is not a matter of party against party. It's a matter of America against Russia. It's a matter of YOU, THE PEOPLE, AGAINST FEDERAL DICTATORSHIP.

The time has come for good American citizens to STAND UP AND BE COUNTED. Tell your friends you've had enough. Tell them you're going to vote for Frank T. O'Brien at the November 5th general election because you want to free this great and troubled nation from the dictatorship of Harry Bridges, Dave Dubinsky, Tom Pendergast, Ed Kelly, Walter Reuther, John L. Lewis, Caesar Petrillo, Henry A. Wallace, Mayor Hague and the other un-American individuals who have become our lords and masters.

This isn't Nazi Germany or Fascist Italy. It isn't even Soviet Russia, though many of the New Dealers have tried their best to make it so. If an honest American citizen is afraid to stand up and admit that he is on the side of Democracy against the forces of Communism then the future of this great nation is in grave peril.

The only way we can save ourselves from Socialism is to elect a Republican Congress in 1946. And in the Panhandle that means casting your vote for Frank T. O'Brien, of Potter County, and against your present New Deal Congressman.

It's time to stand up and be counted as a real

American if America is to be saved from State

Socialism.

Recent Bride Honored at Lovely Shower

In the spacious home of Mrs. L. S. Johnston, Mrs. L. L. Hix, nee Carlee Wirt, was honored with a lovely post-nuptial shower, Thursday, October 24 from 7:30 to 9:30. The house was decorated throughout with beautiful Fall flowers.

Hostesses included Mrs. L. S. Johnston, Mrs. Lewel Johnston, Mrs. Faye Cannedy, Miss Lou Ella Patterson, Mrs. Gene Morrison, Mrs.

Gabe Thompson, and Mrs. T. H. Knighton.

Guests were received during the evening by the honoree, Mrs. Hix, the bride's mother, Mrs. Lorenzo Wirt, the groom's sister, Mrs. L. D. Winn, and Mrs. Lewel Johnston. The bride's chosen colors of blue and white were carried out in the decorations.

Miss Lou Ella Patterson presided at the guest book, and punch, cookies and salted peanuts were served from an attractively arranged table by Mrs. Wayne Wirt, sister-in-law of the bride.

Mrs. Hix received many lovely gifts. Approximately 50 guests called during the evening, and some 50 were unable to attend but sent gifts to the bride.

GIRL SCOUT TROOP 8

HONOR MOTHERS TUESDAY

Girl Scouts in Troop 8 had a court of honor and tea for their mothers last Tuesday evening, at the home of their leader, Mrs. E. R. Cleavinger. The house was attractively decorated with Halloween colors and chrysanthemums.

Second class badges were presented to Barbara Beck, Alma Bishop, Dorothy Cleavinger, Florence Coffee, Joan Dodson, Peggy Maynard, Betty McGehee, May Montgomery, Mary Owen, Virginia Rigby, Anna Lou Samuelson and Jancie Waldrops.

Nine girls were also presented the

Rock Finder's Badge. Those included, Barbara Beck, Dorothy Cleavinger, Florence Coffee, Joan Dodson, Peggy Maynard, Betty McGehee, Virginia Rigby, Anna Lou Samuelson, and Jancie Waldrops. Thanks and appreciation were extended to Miss Mary Orton for her untiring help in the field with the girls, in preparing them for the Rock Finders Badge.

Joyce Thurman received the swimming badge. Bobby Sue Grisham, a new member, was welcomed into the troop.

After the program, tea was served to the girls and their mothers from an attractively arranged table, covered with a lace cloth, and centered with the traditional Halloween pumpkin. Mrs. J. E. McGehee, chairman of troop committees, presided at the tea service.

INTERESTING STUDY MADE

BY SUE HITE CLUB

At the meeting of the Sue Hite Club in the Thompson Club Room, Monday afternoon, October 28, Mrs. Burney Slack and Mrs. Crews Henry were in charge of the program. In speaking on "Religious Values and the Youth Conservation Program," Mrs. Slack gave the General Federation of Women's Clubs plan for the training of the youth of today in citizenship. She stressed the necessity of cooperation of religious groups in making America safe for differences. Mrs. Henry's interesting review of "Mama's Bank Account" by Catherine Forbes provided the group with an imaginary visit in the home of an unusual Norwegian family in San Francisco.

At the business meeting Mrs. Virgil Henson, president, welcomed new members and introduced Mrs. Harley Henson and Mrs. C. M. Ford as visitors. Mrs. Hatcher Brown was elected to membership in the club.

Answering roll call were Mrs. Nobel Armstrong, Mrs. W. C. Bowen, Mrs. A. G. Brant, Mrs. Herschel Coffee, Mrs. Levi Cole, Mrs. E. R. Cleavinger, Mrs. Dewey Foster, Mrs. W. F. Haggard, Mrs. Virgil Henson, Mrs. Crews Henry, Mrs. A. G. Kelsbach, Mrs. Gordon Lyons, Mrs. W. A. Miller, Mrs. W. W. Nicklaus, Mrs. Jerry Newman, Mrs. Hud Prichard, Mrs. Burney Slack, Mrs. Granville Tolliver, Mrs. Glenn Truax, and Mrs. H. T. Wilcher.

RALPH H. D. CLUB MET

WITH MRS. C. O. ELKINS

Mrs. C. O. Elkins was hostess Wednesday, October 23 to the Ralph Home Demonstration Club.

A business meeting was held to discuss the coming events. A Halloween costume party will be held in the home of Mrs. L. S. Johnston at 8:00 on Wednesday, October 28.

Instead of the regular meeting time on November 6, the group decided to meet at Mrs. Elkins' home and go to Amarillo for lunch then visit in the Veteran's Hospital, since that day is Open House Day at the Hospital.

Stunt Day is November 8 and it will be held at the college. The club decided to keep the same officers as last year, with Mrs. L. S. Johnston

elected chairman of the T. H. D. A. committee and Mrs. R. B. Gist was elected Texas Agriculture reporter.

MRS. R. N. COOK HOSTESS

TO PLEASANTVIEW CLUB

Mrs. R. N. Cook was hostess to the members of the Pleasantview Home Demonstration Club in the home of Mrs. M. B. Brown, Thursday, Oct. 24.

The president, Mrs. A. B. Haynes, Jr. presided. Mrs. Albert Meyer gave the Texas Agriculture report.

Officers were elected for the coming year as follows: Mrs. M. B. Brown, president; Mrs. Ethel Dooley, vice-president; Mrs. Bob Robbins, secretary-treasurer; Mrs. John Jennings, Council representative; Mrs. Harold Heizer, parliamentarian. The demonstrators, Mrs. R. N. Cook, "Family Life," and Mrs. Harold Heizer, "House Planning."

Refreshments were served to Mrs. Morris Abbott, Mrs. Erwin Meyer, Mrs. Chris Crain, guests; and members, Mrs. J. W. Spencer, Mrs. Harold Heizer, Mrs. Tom Moore, Mrs. A. B. Baker, Mrs. Albert Meyer, Mrs. John Jennings, Mrs. W. L. Browning, Mrs. A. B. Haynes, Jr., Mrs. Billy Brown, Mrs. J. H. Barrett, Mrs. Ethel Dooley, Mrs. Bob Robbins, Mrs. M. B. Brown, and the hostess, Mrs. Cook.

COUNCIL OF CHURCH WOMEN

MET AT CHRISTIAN CHURCH

The Council of Church Women met Tuesday afternoon at 3:30 at the First Christian Church. Miss Margaret Barrett, president, had charge of the meeting. During the business meeting, new officers for the coming year were elected. These are: President, Mrs. W. M. Higdon; vice-president, Mrs. Geo. Clark; secretary-treasurer, Mrs. Frank R. Phillips; program chairman, Mrs. J. D. Barker; publicity, Mrs. Ed Phillips.

Area Chairmen elected were: The Church and its Outreach, Mrs. Hubert Thomson; The Bible in Life, Miss Eula Potter; Personal Faith and Experience, Mrs. Ed Harrell; Christian Family Life, Mrs. Lorenzo Wirt; Major Social Problems, Mrs. Ray Campbell; Community Issues, Mrs. Cecil Briggs; World Relations, Mrs. O. Bufs To Meet Flagstaff Here Friday Night

Coming into Buffalo Field Friday night with one conference victory and one conference defeat behind them, the Lumberjacks of Arizona State at Flagstaff will be trying to make the Buffaloes their number two loop victim.

Equally as determined to gain another Border victory after their Homecoming win, the Maroon and White of West Texas State will try to uphold the tradition of never losing to a Flagstaff eleven. Coach Frank Brickey's charges have a very commendable record for the season. Starting out the Axebabes trimmed a strong Williams Field Flier team 6-0. In their second performance they forced the Lobos of New Mexico to score in

the waning minutes before the Arizona team fell 12-7. The following week the Brickey boys trampled New Mexico Teachers 32-0 and followed that up by holding powerful Fresno State to a 6-6 tie. Homecoming Day at Flagstaff saw the Jacks trip the New Mexico Aggies 14-6, the same Aggies that gave West Texas such a battle before succumbing 21-14 last Saturday.

Miller Drops T

Coach Gus Miller of the Buffaloes apparently dropped the T-formation from the squad's book and now seems to be concentrating on the Notre Dame box and other deceptive formations. If an Arizona man did not scout the local gridsters last week they will probably encounter a large variety of new plays.

The squad from the Grand Canyon State has been regular users of the questionable T-formation but may try anything against the Buffaloes.

West Texas State fever is running high over the November 9 game with the rampant Cowboys of Hardin-Simmons but they will not be overlooking the Lumberjacks this week. It has been the policy of the Maroon and White to play its games week by week and not look ahead of games and get slipped up on.

SOMETHING CHUMMY

"I tell you I won't have this room!" protested the old lady to the bellboy who was conducting her. "I'm not going to pay good money for a closet with a folding bed. If you think that just because I'm from the country—"

"Get in, lady, get in," the boy cut in wearily. "This isn't your room. This is the elevator."

Good parking accommodations. Everybody is welcome. Come out and dance to the music of Dick Morton and His Orchestra every night, for the best in entertainment in this section. Visit the Old Tascosa for an evening's good entertainment.

Everyone is welcome at the Old Tascosa. Bring your family or friends and enjoy an evening's good entertainment. They will appreciate your patronage. They try to make everybody feel at home. The food at the Old Tascosa is the best that can be had and is served in a way that makes it a pleasure to stop there. The management will be found to be courteous and accommodating at all times. They are

veterans in the business and cordially invite everyone to come out and get acquainted and enjoy an evening's good entertainment.

They are fair and straight in their business dealings, therefore it is not strange that customers of the Old Tascosa seldom think of going elsewhere. A feature of the Old Tascosa is the music rendered by Dick Morton and His Orchestra every night. They furnish real music. This is one reason why the Old Tascosa is popular with everyone who has been there. The management and the service and good music and all sets the Old Tascosa apart from other places of entertainment and makes it highly satisfactory for those wishing a good time will make the Old Tascosa their destination.

We take great pleasure in this review to compliment the management on the high character of their place and recommend it to all. ADV.

Pace-Setters in Dramatics

Making big 1946-47 plans for Alpha Psi Omega, national dramatics fraternity on the campus of WT, are William A. Moore, sponsor, left; Wayne Thomas, president, standing; and Shirley Byars, secretary.

Two dramatic organizations on the campus, Alpha Psi Omega, a national fraternity, and the Buffalo Maskers, a new local branch of the former, are behind the extensive plans being made for extra-curricular dramatic activities during the year.

Resume of future projects includes presentation of two full length productions and a series of monthly programs to be presented at the Veterans' Hospital in Amarillo beginning in December. The group is buying box seats at the

Little Theatre in Amarillo, and trips will be made to attend plays sponsored by the Amarillo Junior League.

William A. Moore, a member of Alpha Psi Omega in Oklahoma and the newest teacher in the speech department has charge of the dramatics work.

Students interested in taking part in the activities of Alpha Psi Omega, whether or not enrolled in speech classes, are urged to see Wayne Thomas, president, or Shirley Byars, secretary.

Insurance Program Starts Under Social Security in October

"October 1946 is the first month in which workers under the old-age and survivors insurance program may become permanently insured," John R. Sanderson, manager of the

local Social Security Administration field office said today.

The program of old-age and survivors insurance went into effect on January 1, 1937. The 40th quarter, required by the Social Security Act for permanent insured status, has just been reached. Therefore, workers who have earned as much as \$50 of creditable wages in every calendar quarter since January 1, 1937, and who have now earned \$50 since October 1, 1946, have passed that milestone and are permanently insured.

"It works like this," Sanderson explained. "As a general rule, to be insured, a worker must have been in covered employment at least half the number of calendar quarters between January 1937 and the time of reaching age 65. Exceptions to the general rule occur in cases of people who were 65 before or soon after the law went into effect, and people who became 21 after January 1937. No one qualifies for payments if he has worked on jobs covered by the law for less than six quarters. After working 40 quarters, this general rule need not be applied.

"The special significance of having 40 quarters of coverage is that the wage earner has at least some permanent insurance for old-age—or for his survivors—should he be unfortunate enough to be forced to quit work before he is 65.

"The law requires, however, that all workers in commerce and industry must continue their one per cent contributions and that their employers must contribute one per cent of payroll as long as they earn wages. Continuing to work under the social security program builds the value of the worker's insurance account.

"With the passing of each calendar quarter from now on, other workers will be gaining that permanent insured status under the old-age and survivors insurance provisions of the Social Security Act, as they too get that fortieth quarter of coverage.

"But remember," said Sanderson, "if you should quit work before reaching age 65, or if your wages should be reduced, the amount of your eventual benefits would be decreased accordingly. It is the average of your monthly earnings, figured since January 1, 1937, or since reaching age 21 (whichever is later) and to the time of reaching age 65, that determines your benefits."

Tom Lairs Capture Three of Five Prizes Offered Saturday to Homecoming Exes

The Lairs of Canyon walked off with the honors for their parents, Mr. and Mrs. Tom Lair, in the contests for exes at Homecoming.

Of five prizes offered, the Lairs took three. They brought seven children to Homecoming (prize

number one); they have four children attending West Texas now and this was good enough for two more prizes: first, for sending the largest number of children to school here, and second, for having the largest number of children now enrolled.

Avent Lair turned the trick for his parents by getting married and changing Freddie Ramage into Mrs. Avent Lair. Other Lairs included are James Lair, freshman, and Margaret Lair, junior, who is secretary of the student association.

Tom Lair and his brother Thad were members of the first "Tallest Basketball Team in the World." They played basketball for four years and lost but one game.

Mrs. Nell Galloway McLeish came from Barberton, Ohio, to win the prize for traveling the farthest to come to the Homecoming festivities.

Miss Anna I. Hibbets, class of 1911, won a prize for being a member of the earliest class to attend homecoming. Miss Hibbets is also an ex-professor, who retired last year and is now living in Amarillo. She is a native of Ireland and came to West Texas from Goodnight, Texas.

Whooping Cough Only Contracted By Direct Contact

Inasmuch as the incidence of whooping cough in Texas is expected to show an increase during the coming months, Dr. Geo. W. Cox, State Health Officer, released a statement today urging that strenuous efforts be made to control the spread of this debilitating childhood disease.

"Whooping cough can only be contracted by direct exposure of the disease, and isolation of cases must be universally practiced if the incidence is to be controlled," Dr. Cox stated.

"The infectious agent or germ of whooping cough is transmitted by droplets expelled in coughing, sneezing or speaking," Dr. Cox said. "The discharges from the nose and throat are dangerous to susceptible persons; the need for early recognition and careful isolation of whooping cough is obvious."

The first sign of this disease is usually a dry cough, which persists day and night and tends to become increasingly severe. The disease is fully developed when vomiting of food and whooping accompany the paroxysm of cough. Dr. Cox stressed the fact that children who have whooping cough should not attend school or come in contact with other children until three weeks after the appearance of typical signs of the disease.

Prevention and control of whooping cough, especially among infants and small children, may be accomplished through use of approved

LEO FORREST
President

Leo Forrest, Hereford, is the new president of the Ex-Student Association, according to returns of the annual poll announced at the Homecoming program Saturday morning. Walter Travis, Dumas, is first vice-president, and Mrs. S. B. Whittenburg, Amarillo, second vice-president.

Exes chose as their board of directors, Wyeatt Hester, Lubbock; Mrs. Willie Trapp Halthcock, Plainview; Dr. Paul Stewart, Tulla; Mrs. Mary Foreman, Memphis; and Mrs. W. W. Evans, Panhandle.

Election returns were made public at the close of the program honoring exes who served in the armed forces during the war. Acting as master of ceremonies as well as principal speaker, President J. A. Hill outlined plans for the future of the college.

Emphasizing the immediate problem, that of housing shortages, Dr.

MRS. S. B. WHITTENBURG
Second Vice-President

Hill asserted that he expected the difficulty to disappear by the first of the year. He revealed that had space been available, more than 2000 students would now be enrolled at WT.

Among plans for the long-time improvement of the college he listed: a new library, a new fine arts building, a gym capable of seating at least 5000, another woman's dormitory, a men's dormitory, a shop and vocational building, a green house, a new president's home and a new chapel.

Dr. D. A. Shirley was official welcomer and Raymond Thompson, Vega, retiring president of the exes, delivered the response, assuring Dr. Hill of complete cooperation from the exes.

Mr. and Mrs. Herschel Coffee, class of 1925, played "Danny Boy," he with the violin and she accompanying him at the piano.

New Globe Swift Arrived Sunday At Airport

After some delays at the factory, a brand new SWIFT was delivered to George Cox at Canyon Aviation Service, last Sunday. It is one of the new 125 Horsepower models, and one of the most talked of private planes now on the market. With a cruising speed of 140 miles per hour and a range of 600 miles, this little ship gets around. It has a service ceiling of 16,000 feet and the landing speed is only 48 miles per hour, which makes it a good small field ship. Everyone is welcome to go out and take a good look at the SWIFT, and you may be interested in taking a ride!

This past week-end saw many ex-students in Canyon, and a few of them flew their own planes to attend Homecoming activities. Jack and Mildred Williams came down from Beaver, Okla. in their Cub, which was stored overnight at Canyon Aviation. Jack has started an airport at Beaver which is practically next door to his farm, and is gaining much interest from the Beaver citizens.

Gerald and Mary Evans came down in their plane from Vernon. Gerald was in one of the first classes of CPT offered at Canyon Aviation, and instructed at Vernon before he entered the Army. He is now back with the airport at Vernon, instructing and doing some charter service.

The next few years is going to find more and more families flying to their destinations! In from Childress on student cross-countries, were W. M. Hunter and R. A. Bellah. Flying at Childress must be going pretty well, with a few students almost ready for their Private Certificates.

Last week Claude Goldsmith was called to Lubbock because of the business he operates there, and had to resign at Canyon Aviation as instructor. To take his place, George Cox hired Kenneth Burum, whose home is in Canyon. Burum attended West Texas State, and

Morris Announces Barbecue Donors

A total of between 2500 or 2600 visitors were served a Homecoming Day noon meal at WT Saturday, according to Milton Morris, who was in charge of barbecue arrangements.

The gratitude of West Texas State is expressed to the following firms and individuals whose contributions helped to make possible the much-publicized free barbecue:

T. O. Pugh, Perryton, one beef. Canyon Chamber of Commerce, one beef. Newton Harrell, one beef and \$50. Amarillo News Globe \$50. Cliff Wimberley and Raymond Thompson, Vega, one beef each. Taylor and Sons, sugar and milk. Buffalo Food Store, 60 lbs. coffee. Cooper's M System, 200 lbs. apricots.

Meade's Bakery, 250 loaves of bread. Slim Johnston, truck and one half day's services. Bellah's two sacks of onions. The college faculty furnished the other foods needed.

NEW AIRPORT

Memphis announces that its new Municipal Airport is open for business. It has two runways, east-west and north-south, both 2,000 feet long. A diagonal runway is 4,500 feet in length. At present there are sod runways, but plans are afoot to have them topped. A formal dedication is expected to take place in about 30 days. Congratulations to Memphis.

The average monthly old-age pension payment in Texas is about \$21.00 compared to \$27.00 for other states; but 46 per cent of all old folks in Texas are on the pension rolls, compared to 24 per cent for other states.

Great and wealthy states like New York, with twice the population and 10 times the wealth, pay less to old-age pensions than Texas.

Magazine Sales, \$1089, Surpass Records of Previous Contests

Standley and Bonds Reach Goal, Each To Get Radio

With a total of \$1089, the highest sum ever collected in a magazine subscription contest, 1946 Juniors ended a two weeks' campaign, Monday, October 28.

Frances Standley proved her efficiency in salesmanship by leading all other contestants with a total of \$140. However, Billie Bonds gave her a close race with \$137. These two winners will receive a \$37.50 Philco radio purchased by the class and the Curtis Company.

Three Goals

Three goals were possible: first—\$800; second—\$1000; third—\$1200. If only one goal were reached, one radio was to be given to the highest salesman, as the second goal was reached, two radios were given as prizes. Had the third goal been reached, the three leading salesmen would each have received a radio.

Thirty-four workers, whose personal quota was \$15, canvassed the town as agreed with the Curtis Publishing Company.

Class Activities

The Junior class cleared approximately \$450. This money will be used for class activities and the annual Junior-Senior Banquet.

The unlucky Reds, who lost the contest, will give the Blues a party in the near future.

The magazines which received the most subscriptions were: "Ladies' Home Journal," "Saturday Evening Post," "Good Housekeeping."

"The Junior class is grateful to everyone who has aided us in the magazine sales," states Mrs. A. K. Knott, sponsor of the class, "and we are sure everyone will receive full value for the money paid us."

A PAT ON THE BACK

Let's give credit where credit is due.

When at a football game do you watch the boys in the forward wall—the line? More than likely you don't. Those are the boys who open up the opposing line for the backfield to run through. They are the ones who block for those long downfield runs.

In Canyon High for instance, they are: Clifford Burtz, Wayne Davis, James Bible, Austell Burrus, Jimmie Lindsey, Bennie Woods, and James Guthrie. Assisting them as able substitutes are: James Inman, Dick Barrett, and Cordell Mahler.

Next time we go to a ball game let's not just watch the backfield men, but give the linemen a chance to show a few of their tricks.

Dainty Dolls Decree Rules for Glamour

That red dress Dorothy Gafford is wearing is something out of this world. Red, yes, more red. The sun doesn't need to shine while she is wearing that.

And that brown seersucker affair which Nancy Ann Nicklaus wears wows the wolves with its stripes running up and around. Just tantalizing, I call it.

Who loves blue?—and why not when it sets off their school girl complexion as on Emma Gauth Zachry, Mable Graham, and Ruth Lill who chose that shade for Friday.

Green, is a soothing, hard-to-wear, shade for most people, but not for Louise Prichard. What a picture! Hair, eyes, and skin—just suits the color, or is it the girl, which?

Sweater girls, do we have them? Do tell! All colors and shades. Some who wear them best are: Muriel Fay Cope, Marian McReynolds, Dorothy Butler, Joan Morton, Martha Jean Avent, and Odessa Scruggs.

And speaking about glamour per-

Well, I've bounced right back again, although I had a little trouble, because during the week, Mrs. Simms cornered me and taught me some English. Come to think of it—it didn't sound so bad, so I decided I'd show you I know a thing or two about grammar.

Well, that "small" girl is doing O. K. for herself. She was seen Saturday night with a certain "guy" and will have Larry Rouché on her hands Hallowe'en night. (What's happened, girls?)

I hear that Tommy Gooch and Jimmie Jennings were doing alright Saturday night at the show and intend to at the Carnival.

Leo Erwin wants to go to the Carnival, too, but with two girls, namely, Mary Elizabeth Jennings and Joanna Haines, so he's having a little difficulty arranging it.

Seems that Jerry Bailey has fallen head over heels for a certain freshman girl by the name of Joan Hicks. Well, well?

A neat little package by the name of Sue Gillispie returned for a visit and Austell resumed the same old stand (or seat) and had a fine time.

I wonder if it could have been Malcolm Gunter that phoned Dorothy Butler last Saturday, or could it?

Norman Stone and WT's Frances Holman and Jean Pitt and Kenneth Fisher looked as though they had a good time at a party given by Mr. and Mrs. Pitts.

How come both Mary Ann Baker and Stanley Scheffer had to stay after school for Mrs. Gilmore, Monday afternoon. I guess it couldn't have been because of that little slip of paper that passed between them.

Seems that Harold Martin has Donna Erwin all tied up for Hallowe'en night. Good luck.

Camera Fans Snap Obliging Objects

By Bill Davis

"Watch the birdie." "Hold it." "Look this way."

Those were familiar sayings around the school yard these past two weeks as the camera fever emerged on our old Alma Mater. All of these beautiful days brought likewise beautiful (?) girls out on the lawn to pose for their portrait.

There's Gerald McDuff over there viewing some sophomore girls and across the street, there, is James Riggsby stepping off the number of feet he is from his subject, (probably Mrs. Vernon or Martha Wilson.) It was kinda funny, but Guy Brant managed to get in almost every picture.

Students Take Pictures

Over in another corner we see Harold Prichard and Robert Fisher. They must be taking pictures of themselves or something because they have their cameras pointed at each other. (On the other hand the cameras might have guns in them.)

Standing out in the street is Nancy Nicklaus, Valeta Haines, and Martha Jean Avent with their heads together. They're holding the picture-taker in front of themselves and taking their own picture. (No conceit in their families—they've got it all, Ho, Ho!)

Steps, Favorite Place

Sitting on the steps, are Joanna Haines and Donna Erwin with some pictures that have already been developed. Everybody's crowding around them to see if their ugly mug or pretty face, that is, is in any of them.

But, after all, they'll have many treasured photos of their high school days when they get to be old and grey headed.

Grade Notes

All of Grade School is buzzing with Hallowe'en doings. The rooms are decorated with bright orange pumpkins, witches on broomsticks, and black cats.

Much work is being put on the grade school booths for the Hallowe'en Carnival.

The second grade rooms are sponsoring a lemonade stand which will be placed in the north end of the gym. "Everybody is invited to come and enjoy a large refreshing glass of red lemonade," states Mrs. Murrell.

Pupils of both Mrs. Cousins and Mrs. Brasher's rooms are busily gathering articles for their grab-bag. These will be wrapped in gay packages.

Luanne Perryman from San Antonio is attending Mrs. Walsh's fifth grade while visiting with Mrs. Al Angel. She will work with the fifth grade until she leaves with her mother for Germany.

Karan Lynn Burns from Ordway, Colorado, is a new pupil in Mrs. Black's first grade.

In Mrs. Uesery's room, the chairs in the reading circle received a new paint job by the third grade boys. The girls decorated chair covers with crayola designs of animals and Raggedy Ann Dolls. These students are also reading and writing Hallowe'en stories. Some of their spelling words pertain to Hallowe'en. Their collection of fish, water animals, and moss are housed in a new aquarium bowl which arrived this week.

Betty Burrus returned to Mrs. Cousins' fourth grade room after an appendectomy.

Among the best drawings of geranium plants decorating Mrs. Cousins' room are the ones drawn by Kin Kuykendall and La Nelle Gum. Delbert Rogers painted a very realistic picture of box elder leaves.

Mrs. John Davis is undergoing an operation at Temple. Mrs. Roy Hunter is substituting for her during her absence.

Squadmen Name Football Queen

Davenport Takes Spotlight In Coronation Ceremony

Elected by the Eagle squad to rule over them as 1946 football queen, is Verna Davenport. She will be crowned Saturday night, November 2, before the Eagles tangle with the Hereford Whitefaces.

Verna is a sophomore, a member of the FHA and a candidate for Hallowe'en Carnival queen this year.

The queen will be driven up to the grounds in a late model car before the game with her attendants who are to be chosen this week.

She will be escorted to the center of the field where the two co-captains, Billy Abbott and Charles Wright will present her with a bouquet of chrysanthemums and crown her with the traditional football helmet. After the ceremony, she will be seated on a special platform where she may view the game from the fifty-yard line as well as being one of the main attractions of the evening.

Assembly Varies Program, Friday

The CHS cheer leaders led the pep rally Friday with a few of the favorite school yell.

After the rally, Superintendent Wooten made an announcement that pictures would be taken for the annual Tuesday, October 29. He stated that the students were not obliged to have pictures made, and he also showed the sizes and gave the prices for the pictures.

Valeta Haines announced, "The Juniors have reached their first goal in selling magazine subscriptions and they wanted to reach their second goal of \$1,000 over the week end because Monday is the last day to sell."

Soaring Wings' Pictures Taken Tuesday by Representative

Pictures for the 1946-47 "Soaring Wings" were taken Tuesday by Robert E. Kuentler, a representative of the Russell Stationery Company. The pictures will come in three sizes; large, medium, and small.

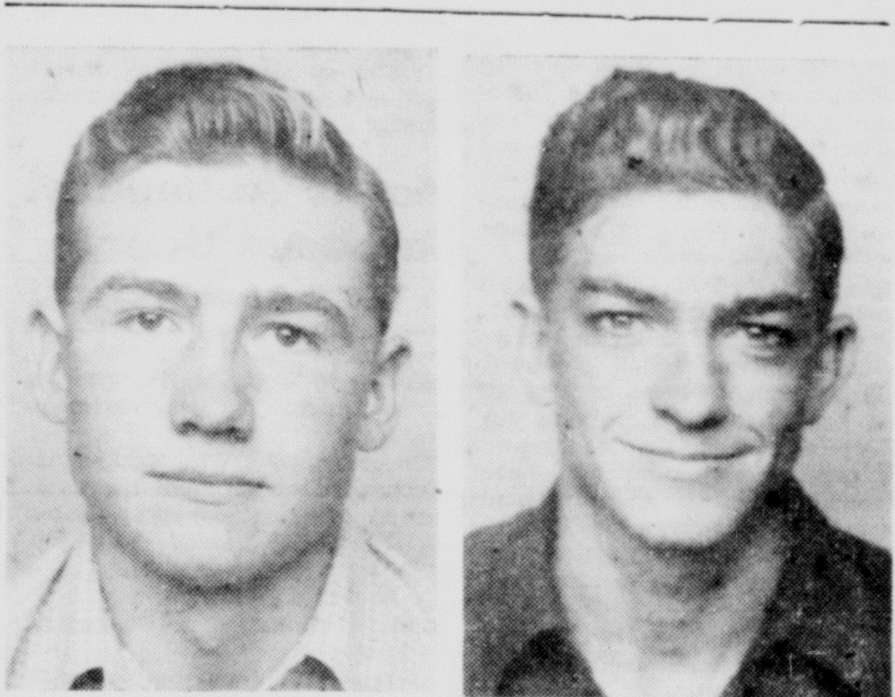

Mr. Saunders from the Steck Company also visited Canyon High and discussed the annual with the editor, Geraldine Small, and assistant-editor, Valeta Haines. He explained the sample material that has already been received and promised more material soon.

Due to the fact that the pictures of the co-captains of our Eagle's football team reached us too late to go to print with the story about them last week, we are publishing them in today's issue.

Barbara Glanton, vice-president; Elvira Boyd, treasurer; Kenneth Caskey, secretary; Geraldine Pope, reporter and La Rue Davis, W. M. Thompson, and Francis Litsch, room monitors.

President of 5-J is Jo Ann Mickey; vice-president, Bobby Cole; and Jerry Martin, secretary.

Maurine Scruggs and Robert Dupriest withdrew from Mrs. Jones' fifth grade.

Billy Abbott and Charles Wright co-captains of the '46 Eagles' team.

By Martha Wilson

The mothers of our football players need a good pat on the back for all the care and encouragement they give their sons. When boys are careful to train, one can bet they have the right kind of guidance at home.

Let's give the mothers a cheer of thanks!

The girls' basketball is getting underway nicely. Miss Aaron reports that she has 19 candidates going out for practice. The girls going out are: Janey Forester, Martha Jean Avent, Juanita Avent, Nancy Ann Nicklaus, Joyce Carter, Valeta Haines, Joanna Haines, Geneva McDougal, Dorothy Butler, Bobby Jean Ford, Chloe Ann Black, Mary Jennings, Sue Jennings, Frances Gooch, Weedon Young, Wanda Jean Edwards, and Colleen Prichard. The first string team has not been selected but will be quite soon.

Those Canyon Eagles were really on the beam last Friday night when they ramped over the Dalhart Wolves to a victory of 27-0. Billy Abbott, Cordell Mahler, and Lee Bailey did some outstanding playing throughout the game. James Bible as right guard and Austell Burrus as center showed us some excellent work also. The other boys played an exceptionally good game, and everyone is proud of them.

Keep up the good work Eagles! Football season is coming to an end, and it won't be long until the

CHS Squad Top Dalhart 27-0

Wright, Mahler, Abbott Pass, Run For Markers

Whetting their talons for the toughest game of the season are the Canyon Eagles who will meet the Hereford Whitefaces, Saturday night, November 2, at 8:00 in Buffalo Stadium.

The squad swooped over the Dalhart Wolves for their sixth consecutive victory Friday night, with a score of 27-0.

First Quarter Scoreless

Dalhart kicked off to Canyon, with Charles Wright receiving on the 15-yard line and returning the ball to the Eagles' 30. Failing to gain the necessary yardage Lee Bailey punted to the Wolves' 38, where James Bible recovered the ball on a fumble a few minutes later.

With Wright carrying, the Eagles made a first down. A pass from Abbott was intercepted by Dalhart on the 23 and returned to the 35. Dalhart hit a stonewall Eagle line for four downs and was forced to kick.

After Abbott received the kick on the 25, Wright plunged for a first down. Then with Abbott and Wright running, Canyon made two more first downs. A twenty-yard pass from Abbott to James Guthrie ended the quarter, with both teams scoreless.

In the second quarter both teams were held on downs, Dalhart kicking to the 40, with Bailey carrying to the 35. Wright then took the ball, advancing to the 25 and scoring on the next play. Abbott kicked the extra point, and the score stood 7-0.

Mahler Catches Pass

The Wolves gained 17 yards before a Dalhart back fumbled the ball and Abbott recovered for the Eagles. After Wright and Bailey made a total of 26 yards Abbott passed to Cordell Mahler for Canyon's second score. The conversion, with Abbott kicking, was good, making the score 14-0.

After the kick-off, Dalhart was held scoreless and the half ended.

Rolling up four consecutive first downs after the half, the Wolves were on their way for a marker, when Bailey put out the fire by intercepting a pass on the Eagles' 42. Bailey, Wright and Abbott moved the ball to the Wolves 38. A 20 yard pass from Abbott to Wright was good for a touchdown with Abbott converting. The score: 21-0.

Wright Scores Marker

Both teams see-sawed up and down the field in the third quarter with the ball in Dalhart's possession most of the period.

Canyon took the ball on the 20 yard line after holding Dalhart for four downs. On an off tackle, Wright ran 80 yards for a touchdown. Abbott's conversion was not good, and the score was 27-0.

The last quarter was another try-of-war affair with neither side scoring, and the game ended with the score of the third quarter, 27-0.

Bufs Victorious In Border Clash

Sensationalism was the theme of last Saturday's 21-14 Buffalo victory over stubborn New Mexico A. & M.

Five lightning-like touchdowns marked all the scoring and each one will undoubtedly be long remembered, especially by West Texas State ex-students who were among the 7,000 attending the Homecoming Day clash.

For the Maroon and White, it was a brilliantly played ballgame by every participant, but Lloyd Johnson, fleet halfback, and big Metx LaFollette, towering end, were the real point-getters and offensive spark plugs.

Thirteen minutes after the first kick-off, Johnson intercepted an Aggie pass on the New Mexico 42. After a pass and run play had moved the ball down to the Red and White's 18, Joe Willoughby faded back and tossed a pass into the end zone to opponent-surrounded LaFollette. The mammoth McKinney end leaped into the air, juggled the ball temporarily, but hung onto it for the counter. Junior Melton came into the game long enough to kick the extra point.

Pass Complete
Mid-way in the second period, West Texas put the ball in play on their own twenty after an Aggie kick went into the end zone. Leroy Reeves, flashy Buffalo quarterback, threw a seven yard pass to Johnson who picked up his blockers and ran the distance for another Homecoming touchdown. Melton again trotted onto the field and kicked the ball squarely between the up-rights.

The battle swayed back and forth through the remainder of the period. Halftime, West Texas 14, New Mexico 0.

After twenty high school bands paraded during the half, West Texas State kicked-off to the Babe Curfman coached eleven. Noel Cudd sent the ball booming down to the Aggie four-yard marker where Jerry Nuzum gathered the ball in and headed for the east sideline. Blockers performed perfectly and he scampered 96 yards to a score which electrified the happy Homecoming throng. Rawlings kicked the conversion.

More determined than ever, the Maroon and White churned back to the New Mexico 38. Willoughby tossed a short pass which Aggie fullback Harris intercepted and by deceptive running streaked 55 yards to tie up the contest after Rawlings again converted.

Final Score
Seven minutes deep in the fourth quarter found West Texas on the A&M 25 yard line after several threats had been stopped by the visitors.

Johnson ran wide to the east side and tossed a looping pass again to LaFollette. Two opponents went into the air with the tall Buffalo but LaFollette made a sensational sandwiched catch and stepped across the double line. Methodical Junior Melton made it three conversions to lead 21-14.

Late in the game LaFollette almost made another thrilling en-zone catch but dropped the ball. The pigskin was on the Aggie 14 when the final whistle blew.

Hospital Releases Mary Jim Vincent

Recovering from bruises and shock suffered Sunday noon when she was struck by an automobile, Mary Jim Vincent, freshman from Amarillo, was released last night from Neblett Hospital.

With a group of girls, Mary Jim was walking along the campus street located between the museum and the education building. Evidently, she did not see the car, for as the college boy driving it honked the horn, she jumped the wrong direction, directly into his path.

We'll never forget the time we took a cat out into the country to lose it and had to follow it back home.
